## Brymar Fovant

Salisbury, SP3 5JF

£325,000

Brymar is a detached bungalow occupying a generous plot with lovely views toward Fovant Badges. The property has been a well loved home but would now benefit from some modernisation and offers huge potential including extensions and ample space for outbuildings (subject to planning permission). Currently laid out as a spacious two bedroom property, Brymar could easily be reconfigured as three bedroom. The property is double glazed with oil fired heating and is generally well maintained. Outside Brymar has a generous plot which is very well enclosed with a lovely array of mature planting. Vehicular access from the rear currently provides off road parking for four cars comfortably with huge potential for garaging (subject to planning permission). The village of Fovant is famous for its regimental badges cut into the chalk down which Brymar overlooks. The village has a great array of amenities including village shop, doctors surgery, public house and church. Wilton and Tisbury are both within easy reach with Salisbury and Shaftesbury also within striking distance. This is a rare opportunity to acquire a property with such potential.
